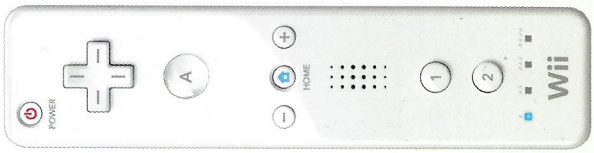
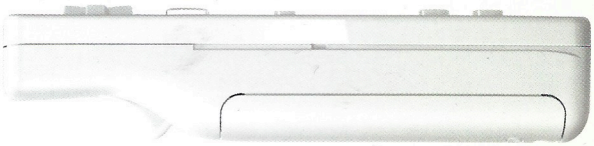
It's an adventure that's out of this dimension!

What at first glance appears to be a 2-D sidescroller ripped straight from the stylized pages of the Paper Mario universe soon turns into a hilarious dimension-shifting platformer possible only on Wii!





Key Features:

- All the side-scrolling action you'd expect from a Mario platformer, combined with RPG elements that enhance the adventure in the game.
- Run through vibrant 2-D worlds, stomping on enemies and breaking blocks....then, with the press of a button, flip into 3-D!
- In 3-D, you'll find hidden paths, battle foes, and uncover secrets as you explore the previously invisible depth of the 2-D landscapes!
- While you play, select Peach or Bowser and tap into their special abilities.
